[PROPOSED] ORDER

[PROPOSED] ORDER

The Court finds as follows:

Defendant failed to exercise due diligence by not asking for discovery prior to this Court's initial ruling in this matter. It has also failed to show what discovery it needs by not informing the Court of exactly what facts they seek or how those facts would help it in the forthcoming hearing. Defendant has not established good cause to grant their Administrative Motion.

For the above reasons, Defendant's Administrative Motion is DENIED.
